## SOUTHERN AFRICAN INSTITUTE OF TRIBOLOGY

Payment by EFT on receipt of Invoice. Please send PoP to [secretary@sait.org.za](mailto:secretary@sait.org.za) Please complete the application form and email it to the *Southern African Institute of Tribology* at [secretary@sait.org.za](mailto:secretary@sait.org.za). Please sign page 4.

The SAIT's Membership is valid for 12 months from date of invoice.

When deciding on the category of membership required, please note the conditions below.

### **Corporate Member**                      R 8 625.00

Corporate Member shall mean a plant, mine, works or corporate unit, irrespective of Group affiliation. A Corporate Member shall have one nominated person as the Corporate Member, responsible for liaison with the SAIT; the Liaison Member will have: 1 voting right and receive *SA Mechanical Engineer (online by email)*, the *STLE's Tribology & Lubrication Technology* journal either online by email or by post, and all SAIT circulars. *All employees* at the corporate unit are eligible for member discounts on SAIT courses, seminars, and conferences.

### **Supplementary Member**        *Included in Corporate Member's Fees*

Corporate Members may nominate *up to nine additional persons* as Supplementary Members. These Supplementary Members shall each have 1 voting right, receive the *SA Mechanical Engineer (online by email)*, all SAIT circulars, and are eligible for discounted fees at all SAIT events and courses. Supplementary Member fees are included in the Corporate Membership fees.

### **Private Member**                      R 874.00

Private Member shall mean one person, who shall have 1 voting right, receive *SA Mechanical Engineer (online by email)*, the *STLE's Tribology & Lubrication Technology* journal either online by email or by post, all SAIT circulars, and is eligible for reduced fees at all SAIT training courses and events.

### **Student Member**                      R 287.00

Student Member shall mean any bona-fide full time student at any Technikon, technical college or university, who shall have 1 voting right, receive *SA Mechanical Engineer (online by email)*, the *STLE's Tribology & Lubrication Technology* journal online by email, all SAIT circulars, and is eligible for reduced fees at all SAIT's courses and events.

The *Southern African Institute of Tribology* is an autonomous (not for gain) technical body, with the main objectives being:

*"understanding friction, lubrication and wear"*

## **SOUTHERN AFRICAN INSTITUTE OF TRIBOLOGY**

1. to encourage the transfer of information and technology related to tribology in South Africa
2. to promote the development of expertise in Southern Africa with a view to solving tribological problems specific to this country
3. to maintain contact with the International Tribology Council (ITC) and tribology groups and societies of other nations
4. to stimulate research and development in tribology
5. to promote the professional status of tribology

We are committed to protecting your privacy and ensuring that your personal information is collected and used properly, lawfully, and transparently. We collect and process your personal information mainly to share information relating to tribology. For this purpose, we will collect contact details which will include your name and/or Company details related to your service needs. We will use your personal information only for the purposes for which it was collected and will be processed for that purpose only. You have the right to access, update, correct or delete the personal information we hold relating to you. By completing this form, you give the SAIT consent to store your information for this purpose only. You can view our full POPI act on the public web page by clicking on the following link: <https://www.sait.org.za/popii/>
